

Red Prince Weigela

Weigela Florida, Red Prince

Type Deciduous Shrub

Height 6' – 9'

Spread 9' – 12'

Exposure Full to Partial Sun

Red Prince Weigela is an easy to grow deciduous broadleaf with purple tinted green summer foliage. Its dark red flowers hold late into the season. Flowers are funnel shaped and they bloom in early summer and again in late summer. Prune one third of the oldest wood each spring after flowering to maintain plant shape.
